

ABOUT OUR SHINE

Diversity SHINES is our new Sexual Health Information Network and Educational Support program. Providing free sexual health and wellbeing services with a whole-person approach.

We SHINE

To create a culturally affirming, stigma-free sexual health treatment and prevention support network with a whole-person or status neutral approach.

Being Status Neutral

A status neutral approach to care means that regardless of STI status, people have access and support to stay healthy.

FREE SERVICES

WE ARE A COMMUNITY RESOURCE HERE FOR YOU!

Confidential HIV & STI Screenings

If you are sexually active, getting screened for HIV and STIs is one of the most important things you can do to protect your health. We offer FREE confidential HIV and STI screenings every 3rd Monday of the month from 1-5pm performed by certified HIV counselors.

Our STI screenings include: syphilis, chlamydia, and gonorrhea.

By appointment only.

PrEP & PEP Navigation

PrEP (pre-exposure prophylaxis) is a medication that people at risk for HIV take to prevent getting HIV from sex or injection drug use.

PEP (post-exposure prophylaxis) means taking medicine to prevent HIV after a possible exposure. PEP should be used only in emergency situations and must be started within 72 hours after a recent possible exposure to HIV.

By appointment only.

Book Your Appointment!

Scan this QR Code to book your next HIV, STI, PrEP and Pep appointment.

MPOX Vaccines

MPOX is a rare disease that is caused by infection with MPOX virus. MPOX spreads through prolonged skin to skin contact. Taking steps to avoid prolonged skin to skin contact can reduce your risk of getting MPOX. The MPOX (Jynneos) vaccine is free and available to individuals at risk for MPOX infection. CDPH recommends that those who may be at risk for MPOX infection be vaccinated against MPOX.

We offer first and second doses during our pop up clinics. Please visit our website for a list of pop-up events.

SHINE With Me Safer Sex Kits

Stop by our Community Resource Center and pick up a free sexual wellness kit including all the tools you need for safer sex: how-to guide, male/female condoms, dental dam, lubricant, and 2 finger cots.

Can't come into the CRC? We can mail you a kit. Scan the QR code or visit the URL below to fill out form: <https://wkf.ms/3PhSCAL>

Shining Education

Our SHINES Training Program empowers you to get educated and make informed decisions to live a long and healthy life for you and your partner(s). Together, we'll have candid conversations on STDs & HIV, destigmatize common misconceptions and learn your options for treatment and preventative care.
