Dear Community Partner,

On your marks, get set, walk! Get ready Ventura County, because the 9th annual AIDS Walk is about to hit College Park in the heart-pounding City of Oxnard! As you know, there is still no cure for HIV and AIDS, and the incidence of infections is on the rise in Ventura County affecting both adults and children. We are dedicated to helping our county agencies fill in the gaps of service with Diversity S.H.I.N.E.S. - our new Sexual Health Information Network and Educational Support program.

Diversity Collective Ventura County is in the trenches fighting to make a positive impact on the ways HIV and AIDS affect us locally.

***Sponsor this year's AIDS Walk and make a meaningful
difference in your community!***

Take a look at the sponsorship opportunities and be a part of the solution. We can only do this work with the generous support of our sponsors, community partners, and those dedicated to making Ventura County a safe and healthy place to live.

We also encourage you to walk with us on Saturday, October 28th at College Park in Oxnard. You can register yourself or a team by visiting our website at <https://aidswalkventuracounty2023.funraise.org/>

If you have any questions or need further information, please call us at 805.644.5428 or email us at info@diversitycollective.org. It's time to **#GetToZero**

With Gratitude,
